

Water Lilies Pre-School Newsletter April 2019

(School leavers)

Parents/carers can you please inform practitioners of the school your child/ren will be going to in September.

Please ensure children are dressed appropriately for the weather as we do like to go outside in all weathers.

Please label children's bags so they can be easily located to the correct child. Also, ensure nappies, wipes and spare clothes are provided for the children that need them.

As a pre-school, we promote healthy eating and we are a **CHOCOLATE FREE** Pre-school. We ask parents to ensure that their child's lunch box is healthy and children have a good variety in their lunchboxes. Also due to allergies, please ensure that all products do not contain nuts – **especially peanut butter**. Please can you ensure that if grapes or cherry tomatoes are put in your child's lunch box that they are cut in half due to choking hazards. We are also asking that your child's lunchbox does NOT contain Fruit Shoot drinks.

If your child attends a morning session, please can you provide a piece of fruit to share at morning snack and any other healthy options would be greatly appreciated.
